# What's in your pack?

Thank you for requesting information about organising a bluebell walk for the benefit of Canine Partners. We are delighted you have taken an interest in helping to support us. As you are probably aware, we do not receive any government funding so your participation and fundraising is vital to our continued support for people with disabilities.

**Bluebell walk organiser registration form** - please complete this and return it to us, giving us the details of the walk you are organising

**Our top tips for organising a successful walk** - giving you ideas about how to organise a successful fundraising walk

**Big Bluebell Walk poster** - we have included an example of a poster we can produce for your walk if you would like to advertise in your local area

**Assessing the risks** - it is important to do a risk assessment and our form makes it easy for you to complete this

**Walker registration form** - we have included an example of this form. It is important to gather the details of everyone who attends your walk as well as how they have supported Canine Partners

**Paying in form** - once the walk is over, please send in your money raised using this form to ensure we have all the necessary information

**Sponsorship form** - we encourage you to charge people to join your walk and suggest that people collect sponsorship. If you just want to ask for donations that's great, but don't forget about Gift Aid. More information about Gift Aid on P7.

**Publicising your walk** - if you would like your walk to be advertised to the public we're more than happy to help you out, we just need all the information

We hope this pack gives you enough information to get started. We are here to help you so please call Jenny on 01730 716101 or email [jennyd@caninepartners.org.uk](mailto:jennyd@caninepartners.org.uk) if you have any queries or need any help or advice.

# Our top tips for organising a successful walk

## Here are some things to think about:

-  If you are using private land for your walk, always seek permission of the land owner and provide them with the date and anticipated number of walkers
-  Make sure you adhere to the countryside code. Visit [naturalengland.org.uk](http://naturalengland.org.uk) to find out more.
-  Always pick up any litter and dog waste at the end of your walk
-  Make sure there is water for dogs, especially if it is a warm day and never leave any dogs unattended in any vehicles
-  Work out the route for your walk in advance. If you need some ideas, take a look at [visitwoods.org.uk](http://visitwoods.org.uk) where you can type in your postcode and it will show you all your local woodland walks. It even has a search engine specifically for bluebell woods!
-  Consider if the walk is wheelchair and pushchair friendly. It is important to let people know before they arrive.
-  Ensure there is an easy place to meet with enough parking before heading off on the walk
-  Consider if you will need any directional signs or hazard signs. We can send you some if you need them.
-  Putting up posters in your local area or near to where your walk will take place will help to advertise your walk. You can use our poster template within this pack.
-  If your walk uses public roads, make sure you put caution signs up or alert your walkers. If you are expecting a large number of walkers, do consider informing the local police or Highways Agency.
-  Consider all risks involved - our 'Assessing the risks' form should help you do this. The risks may vary depending on where your walk is, how long it is and how many people you have coming. Spend time considering the safety of your walk. It is essential you complete a risk assessment.

# Our top tips continued...

## What to charge:

-  The price you charge for walkers to take part will depend on what is included. You can charge a set price for everyone or ask for a donation afterwards. We suggest £4 for adults, £2 for children and £10 for a family of four.
-  Sponsorship is a great way of raising extra money for the Charity. Some organisers encourage all their walkers to collect sponsorship.
-  To maximise your fundraising you could provide refreshments or a quiz for children. We can provide you with a quiz if you decide you would like to do this.

## Money:

-  We have enclosed a paying-in form. Please remember to pay in the money you raise from your walk within two weeks of your event. No cash should be sent in the post. Please pay the money in by cheque, made payable to Canine Partners, to the address below:

**Canine Partners**  
**Mill Lane**  
**Heyshott**  
**Midhurst**  
**West Sussex**

Please help to raise money for Canine Partners. Your contribution will help to transform the lives of people with disabilities, enabling them to lead more independent lives, by being partnered with highly trained assistance dogs.

- Just £5 could buy tasty treats for training
- Just £30 could pay for a bed
- Just £100 could teach a canine partner how to unload a washing machine

# Publicising your walk

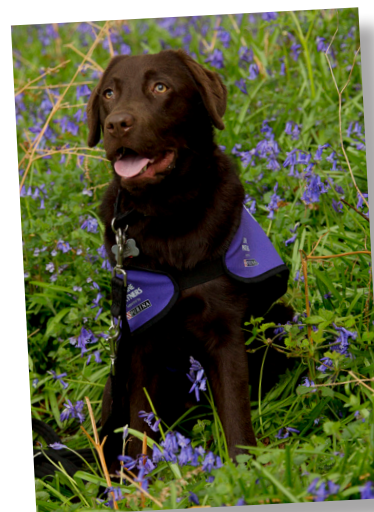

If you would like your walk to be advertised to the public we have provided the following information on publicity. We are very happy to help you advertise your walk; we just need all the information!

**Make sure we have as much of the following as possible:**

-  Date
-  Meeting point
-  Terrain
-  Will there be catering?
-  Is it accessible to wheelchairs and buggies?
-  Time
-  Length of walk
-  Cost
-  Your contact details

Please add any other information you feel is important. The organiser's form, which we ask you to complete and return to us, gives you the opportunity to give us all this information.

Do not forget to fill in the section about your local magazines, newspapers and radio stations and any other local media contacts you may have. Please leave contacting the press to our team as they have all the correct and most up to date information about the Charity.

## Photographs

We would be delighted if you could take photographs on the day. The best photos are people walking towards the camera rather than away from it, so you will need to run backwards ahead of the main group. Obviously puppies or Canine Partners jacketed dogs in bluebells are great but all photos of your walkers enjoying their day would be much appreciated!

If you have children in the photographs, you must have written permission from their parents before you can use any of their photos for publicity.

## Post-walk opportunities

We would like to publicise the success of your event so if you have some great photos, please send us all the information, including how much you raised. Thanks!
