

Hello

I am one of Canine Partners' amazing puppies...

I have just been chosen to become an amazing assistance dog for Canine Partners and this makes me very special indeed!

If you're wondering what a Canine Partners' assistance dog does, I will try my best to explain what I will be doing once I'm trained.

-  I will help my disabled partner with everyday tasks like emptying the washing machine, opening doors, taking shopping off shelves and helping my partner get undressed
-  I will raise the alarm if my partner gets into trouble, sometimes even saving their life
-  And of course, I will become my partner's best friend

You can help me transform someone's life

I have got a lot to learn! I start with a volunteer puppy parent to do the basic training and learn about the world around me. At 14 months I move on to the advanced trainers where they will teach me how to do all the clever stuff like opening doors and emptying washing machines.

I can't wait to get started but I could really do with your help...

You can join me on my amazing journey by sponsoring me and other puppies just like me for as little as £1 a week. You'll receive a Puppy Pack, including a cuddly puppy that looks a bit like me.

So, join today and let's help transform someone's life together.

Gift Aid is a simple way to make your sponsorship go even further. If your donation is eligible, Canine Partners can claim an extra 25% from HMRC. This means for every £1 you give, it is worth £1.25 to us at no extra cost to you. Please let us know if your tax circumstances or name and address details change so we can amend our records.

I am a UK taxpayer and I want Canine Partners to treat all donations I have made today, in the past four years and in the future as Gift Aid donations. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year, it is my responsibility to pay any difference.
