

Speaker Training

Our talks are becoming more and more popular and it is important that we continue to share key messages, up-to-date facts and figures as well as updated case files with our audiences.

Speaker training will be held virtually on MS Teams.

-  Speakers need to attend one training session per year, you do not need to attend either of these sessions if you attended one earlier this year.
-  Registration for these events will close three days before the virtual event to allow us time to send out instructions on how to join the meetings.
-  To ensure we are complying with regulations and for insurance purposes, all Speakers are required to fill out and return a Speaker Declaration Form and a Speaker Preference Form after the training.
-  If you are unable to attend one of these sessions, please do not hesitate to contact us at talks@caninepartners.org.uk.
