35th anniversary pin badges

As we approach our 35th anniversary in 2025, we want to take a moment to thank you, our incredible volunteers, for all that you do.

Together, we've achieved something extraordinary and to mark this special milestone, we're sending you a special commemorative pin.

This pin is a small token of our appreciation and we hope you'll wear it with pride, knowing you're a vital part of the Canine Partners family!

A visit from our corporate supporter, Collins Property Recruitment

This month, we were thrilled to welcome Barry, CEO of Collins Property Recruitment, along with his fantastic team members Hanya and Gemma, to our National Training Centre.

Collins Property Recruitment organise the CPR Cup, an annual five-a-side charity football tournament for the property sector, held in support of Canine Partners. This year's tournament was a phenomenal success, raising an incredible **£23,691.25!**

Their visit gave us the chance to say thank you and to show them how the vital funds they raise help transform lives. Barry and his team enjoyed a demonstration by our wonderful Ambassador Dog Myrtle and her handler Belinda. They were especially moved by one of our partners, Jane, who shared her story.

One of the day's highlights was introducing the team to Howard (pictured with Barry), one of our dogs in advanced training, who is sponsored through the funds raised by the CPR Cup.

We're looking forward to the Sir or K Cup in June 2025, which is aiming to raise £35,000 in celebration of Canine Partners' 35th anniversary.

It's vital corporate partnerships like this that enable us to continue transforming lives!

All work and snow play

Recent snowfall meant our National Training Centre was transformed into a winter wonderland. Our dogs in advanced training made the most of the chilly weather and couldn't wait to play in the snow.

Moments like these are a great reminder that while our dogs are training to become life-changing assistance dogs, they still get to have lots of fun too! These happy, playful dogs will go on to make an amazing difference in the lives of their future partners.
