

**Canine
Partners**

Amazing dogs. Transforming lives.

Love dogs?

Could you train and care for our
future assistance dogs?

Provide care in your home for a 1-2 year old assistance dog in training.

20 week programme and your dog goes to training school during the day

Build dog handling skills with expert guidance and support

Other pets and family welcomed, all circumstances considered

All food and equipment provided (beds, bowls, toys) and vet bills covered
